

{ Poem 88 } at Tanner Hill Gallery

Christina Price Washington, "Studies from Home"
December 11 2010 to February 12 2011

{Poem88} at Tanner-Hill Gallery is pleased to present Christina Price Washington, "Studies from Home." Pristine photographs of hearths and thresholds work side by side with gestural drawings - tracings of the nightly migrations of her and her husband's pillows around the periphery of their bed. Stillness and activity, fastidious documentation and unsentimental precision imbue the mundane with a curious tension: furnishings, bed clothes, bread crumbs, strands of hair tell a story of domestic life with quiet purpose. Born in California of German parents and educated in both Germany and the U.S., Christina Price Washington's images straddle two aesthetic worlds.
